Annika Sörenstam—a hybrid personal sports brand

[K.Cortsen](#) - Sport, Business and Management: An International ..., 2013 - emerald.com

Purpose—The purpose of this article is to investigate sports branding at the personal level by focusing on the evolution, growth and sustainability of the ANNIKA BRAND—an extension of Annika Sörenstam's success on golf courses worldwide. Design/methodology/approach—A qualitative case study method inspired by "symbolic interactionist" aspects and focusing on Annika Sörenstam's commercial success with personal sports branding and its interdependence with sports branding at the product and corporate levels. Data collection ...
